

# Re-Inventing Automated Assembly fastening

#WeCreate #WeDesign #WeBuild  
Together we create reliability

- Automatic nut and screwfeeding
- We deliver longer life cycles, extreme durability, pinpoint accuracy and the strongest guarantee in the business.
- We incorporate highly engineered ergonomics for safer, operator friendly components and greater operator acceptance.
- We provide solutions for any automated fastening challenge
- Applications for nuts, bolts, push pins, and plastic fastener

Visit your assembly partner at Elmia  
Booth no D05:14
